WHY GIVE TO THE RIVER RIDGE FUND?

For over 30 years, Trinity School at River Ridge has served more than 1,200 students from the Twin Cities area, providing each child with an unparalleled learning experience. Trinity School has a clear vision for the role of education in the life of a human being, grounded in the Christian tradition and focused on the pursuit of truth, the practice of goodness and the creation of beauty.

The River Ridge Fund (formerly the Annual Appeal) provides for the needs of today's students, while strengthening us for the future.

HOW YOUR GIFT WILL HELP TRINITY SCHOOL

Today, tuition generates approximately 87% of Trinity School's operating income. The River Ridge Fund has always played an important role in filling this gap by supporting academic excellence, tuition assistance and faculty retention. Your contribution will provide an immediate impact to programs and resources that truly benefit all students, making the Trinity experience financially accessible to more families.

YOUR DONATION WILL SUPPORT THE FOLLOWING AREAS:

ACADEMIC EXCELLENCE

The River Ridge Fund provides tools and resources needed to provide an exceptional education at Trinity School. This includes assistance for technology, curriculum development and the fine arts programs.

TUITION ASSISTANCE

Tuition assistance is critical for attracting talented students to Trinity School, regardless of financial circumstances. A portion of the River Ridge Fund will go towards making sure that students from all economic backgrounds have access to Trinity School. Trinity School will award approximately \$980,000 in financial aid in the 2019-2020 academic year, and 54% of our students receive some level of assistance.

FACULTY RECRUITMENT & DEVELOPMENT

Trinity School is committed to recruiting and retaining top faculty members. By ensuring competitive pay and benefits, the River Ridge Fund will assist in honoring this commitment. Funds will also be used for professional development throughout the year.
